

SHARK UPDATE

Hey Sharks!

The 2021 BDAC pool season it off to a great start!! It's the end of week three in our 8 week programming schedule and what a fun three weeks it has been! How nice to see familiar and new faces at the pool and to be able to catch up with old and new friends.

Here are just a few highlights of what has been happening at the pool and upcoming "save the dates"

What's happening at the pool?

PROGRAMMING:

All programs, including the two adult programs, have been well attended. Aqua fit continues to be one of the most popular programs that we offer and the other adult program, Masters swimming, has never been so busy. Kudos to Lia and Ruby for doing a great job teaching Aqua Fit and also to Anne-Sophie and Julia for challenging the swimmers with their coaching skills at Masters.

We are happy to have been able to offer Water Polo this summer, which we were not able to offer last year. We have seen an increase in younger participants for this sport, which bodes well for the future of polo at our pool. Diving and Synchro continue to be sought after programs and Swim Team is even more exciting this season with the introduction of mini-meets at the pool. We had our first internal mini-meet last Wednesday night and we would like to thank the volunteers for making this event run so smoothly all of the spectators for their enthusiasm in cheering on every swimmer!

Our Monday/Wednesday or Tuesday/Thursday format for swimming lessons seem to be appreciated by all. We have also heard that the parents of the kids doing level green or under are happy that they don't have to go in the pool with their kids this year!

FREE SWIM:

We continue to follow COVID safe protocols respecting a total of 60 swimmers at all times. We thank all members for their cooperation and understanding during this time.
